Find all important information on art supplies needed for Draw Place's **Modern book and children's illustration with iPad Procreate. An online course**

A BRIEF LIST OF ART SUPPLIES REQUIRED FOR THE COURSE:

To get the intended experience, you will need the following equipment for the course:

an iPad
an Apple Pencil
Procreate
A computer

Find more detailed information below:

The most important things required for the course are an **iPad with Apple Pencil** and the **Procreate app**.

Please make sure that your **iPad supports Apple Pencil**, however you should be fine with any iPad from 2018 or later since they all **support Apple Pencil and Procreate**.

You will also need a computer to follow the live lessons. In every lesson, **you will be watching your teacher's instructions on the computer's monitor and using your iPad as your canvas**.
